

Custom Shower Design class - for Designers

Thursday, April 30, 5pm - 8pm

to be held at JC Plumbing - Ferguson Showroom - San Francisco

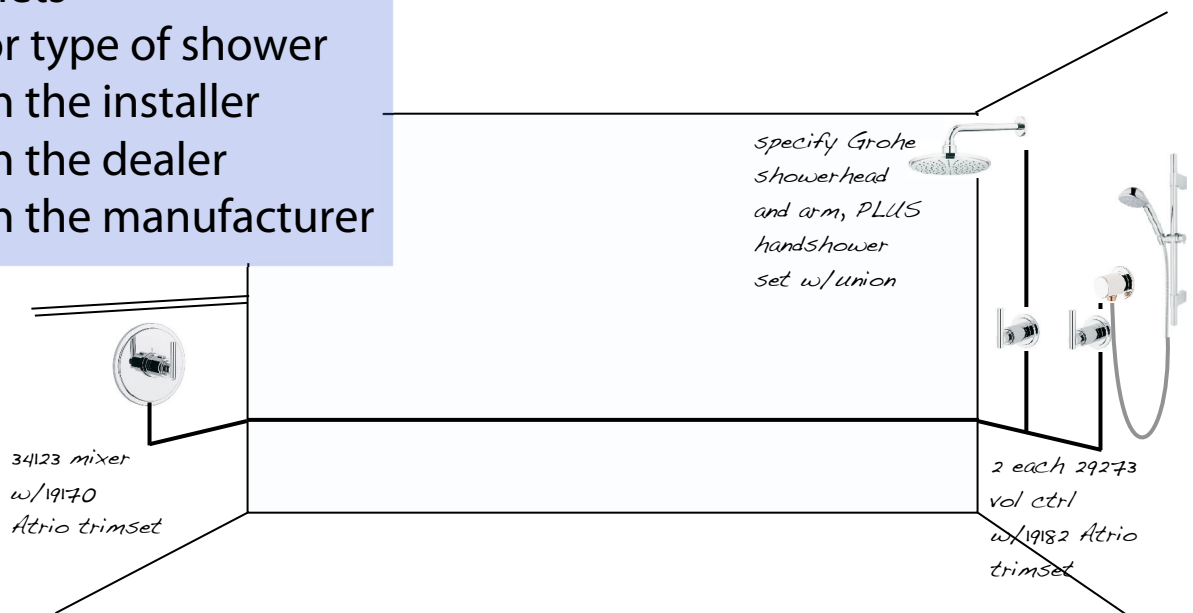

This class is designed for the designer in mind. Our Instructor understands that the designer is a designer - and *isn't* a plumber.

The designer's job is to bring esthetics, functionality, and delight to the home-owner, but keeping within a budget can be a challenge. We can teach you 'best-practices' on how to get the customer what they want - at a price they can afford.

We will show you the practical aspects of implementing your designs.

- how to keep within budget
- best locations for shower outlets
- best shower valve(s) to use for type of shower
- working/communicating with the installer
- working/communicating with the dealer
- working/communicating with the manufacturer

There is no-charge to attend this class, sponsored by JC Plumbing - Ferguson Showroom and Grohe Faucets. A light dinner with wine-tasting will be provided. There is limited space, so please RSVP by email or phone to: Lauren@Western-Sales.com - 415-203-4959 or JC Plumbing - 415-551-3580

GROHE

ENJOY WATER®

Grohe will be giving away \$200 Spa Gift Cards for the Sonoma Mission Inn & Spa, to five lucky designers who attend this class!
